Quality First Education Trust

Dear Parents and Carers,

I hope that you and your family are well. I'm writing to you as someone who should have received the offer of a place at Churchfields Primary School from Bromley Council today. I hope that you will choose to accept your place.

This newsletter gives you a brief overview of what our children have been up to during the Spring term. Should you choose to join us, we will provide you with further information about how we help your child with the transition to primary school, all the information you will need for their first day, and events you can attend to meet other new parents/carers over the coming months.

Choosing the right school for your child is one of the most important decisions you will make as a parent/carer, so if you have any further questions to help you make your decision, or would like a further tour of the school, please contact admin@churchfields.q1e.org.uk and we will be very happy to help you. We are offering additional tours on Wednesday 19 April at 2pm, Thursday 20 April at 2pm, Monday 24 April at 2pm and Friday 28 April at 9.30am.

I hope to welcome you to the Churchfields community.

With best wishes,

Sarah Atherton
Headteacher

Spring Term at Churchfields Primary School

We have had a very enjoyable term at Churchfields and here are just a few highlights. In January, our choirs had an amazing opportunity to perform at the O2 Arena with over 8000 other children as part of Young Voices.

In English, our Year 5, 6 and Ash classes enjoyed 'A Midsummer Night's Dream' performed by The Young Shakespeare Company, and our younger children enjoyed a visit from The Hobgoblin Theatre Company who put on an exciting and immersive production of Little Red Riding Hood.

In Science, Year 4 have been studying electricity. They made static electricity with balloons which could then stick to things and move paper fish and used a Van de Graaff machine that made their hair go static when they touched the metal. In Reception, our children became palaeontologists for the day when they met some animatronic dinosaurs!

In sport, we were really pleased to welcome the boys' teams from Marian Vian for friendly matches on our large sports field and we will be hosting matches for our girls' teams next term.

We have also celebrated World Book Day and collected donations for the Turkey-Syria Earthquake Appeal. As you can see the children have been very busy! We do hope you will choose Churchfields Primary for your child, and we will be able to welcome them in September.
